ST. JOHNSBURY, VT., FRIDAY, DEC. 27, 1867.

JOB PRINTING.

We are adding to our Printing facilities prepared to do nearly all kinds of Job Print- this mangled mass of humanity and defrom time to time, and intend to always be ing, such as Wedding. Address and Business bris, and it baffles the imagination to de-Cards, Circulars, Bill Heads, Blanks, Re- pict in sufficient horror. ceipte. Auction Bills and Posters, in good style and at sair prices.

most of its readers midway between the possibly the investigation, may prove "Merry Christmas" and the "Happy that it could have been. One writer New Year;" and it can consistently and says that both the cars that went off the heartily extend both these greetings to track are known as "compromise" cars its many friends and patrons.

er If there has heretofore been any question in the minds of any one as t where Gen. Grant stands, and where his sympathies are in the work of reconstruction, his private note, (published on first page.) to President Johnson, and which has just been made public, must dispel all such doubts. It is a noble letter, and raises the character of the General in the estimation of the loyal masses.

is growing larger every day.
